

EMBRACING OUR WARRIORS

Free Braces for Veterans and Their Kids!

If you're a veteran with a service-related disability — or the child of one — you may qualify for free braces!

Through Embracing Our Warriors, caring orthodontists across the country volunteer their time to help veterans and their children smile with confidence.

We know braces can be expensive, and many families who've served our country don't always have access to orthodontic care.

That's why we're here — to make sure every veteran and their family has the chance to smile proudly and with confidence.

Getting Started Is Easy!

- 1. Apply Online** – Veterans or parents complete a short form.
- 2. Get Matched** – We'll find a volunteer orthodontist near you who wants to help.
- 3. Start Smiling!** – Begin your braces journey
